

## The Chefs' Warehouse, Inc. Announces Preliminary Full Year 2020 Guidance

January 14, 2020

RIDGEFIELD, Conn., Jan. 14, 2020 (GLOBE NEWSWIRE) -- The Chefs' Warehouse, Inc. (NASDAQ: CHEF) (the "Company"), a premier distributor of specialty food products in the United States and Canada, today announced its preliminary outlook for full year 2020.

Based on current trends in the business, the Company is providing the following financial guidance for fiscal year 2020:

- Net sales between \$1.65 billion and \$1.70 billion
- Gross profit between \$425 million and \$435 million
- Adjusted EBITDA between \$95 million and \$99 million

"2020 marks our 35<sup>th</sup> year building The Chefs' Warehouse. Our amazing team has never been stronger, more focused or excited about our future as a leading national marketer and distributor to the chef-driven customer base that continues to grow with Chefs' Warehouse and its family of companies as its partner," said Christopher Pappas, chairman and chief executive officer of the Company.

### Forward-Looking Statements

Safe Harbor Statement under the Private Securities Litigation Reform Act of 1995: Statements in this press release regarding the Company's business that are not historical facts are "forward-looking statements" that involve risks and uncertainties and are based on current expectations and management estimates; actual results may differ materially. The risks and uncertainties which could impact these statements include, but are not limited to, the Company's sensitivity to general economic conditions, including disposable income levels and changes in consumer discretionary spending; the Company's ability to expand its operations in its existing markets and to penetrate new markets through acquisitions; the Company may not achieve the benefits expected from its acquisitions, which could adversely impact its business and operating results; the Company may have difficulty managing and facilitating its future growth; conditions beyond the Company's control could materially affect the cost and/or availability of its specialty food products or center-of-the-plate products and/or interrupt its distribution network; the Company's increased distribution of center-of-the-plate products, like meat, poultry and seafood, involves increased exposure to price volatility experienced by those products; the Company's business is a low-margin business and its profit margins may be sensitive to inflationary and deflationary pressures; because the Company's foodservice distribution operations are concentrated in certain culinary markets, the Company is susceptible to economic and other developments, including adverse weather conditions, in these areas; fuel cost volatility may have a material adverse effect on the Company's business, financial condition or results of operations; the Company's ability to raise capital in the future may be limited; the Company may be unable to obtain debt or other financing, including financing necessary to execute on our acquisition strategy, on favorable terms or at all; and the Company's business operations and future development could be significantly disrupted if it loses key members of its management team. Any forward-looking statements are made pursuant to the Private Securities Litigation Reform Act of 1995 and, as such, speak only as of the date made. A more detailed description of these and other risk factors is contained in the Company's most recent annual report on Form 10-K filed with the Securities and Exchange Commission ("SEC") on March 1, 2019 and other reports filed by the Company with the SEC since that date. The Company is not undertaking to update any information in the foregoing report until the effective date of its future reports required by applicable laws. Any projections of future results of operations are based on a number of assumptions, many of which are outside the Company's control and should not be construed in any manner as a guarantee that such results will in fact occur. These projections are subject to change and could differ materially from final reported results. The Company may from time to time update these publicly announced projections, but it is not obligated to do so.
